

G. 1

Diagram G. 1 shows a side view of a mechanical component. The component has a rounded left end and a rectangular right end. The left end features a rounded outer shell (3) and a hatched internal section (6) with vertical lines (4). The right end features a rectangular outer shell (3) and a hatched internal section (6) with vertical lines (2). A central section (5) is unshaded. A wavy line (1) is located on the right end.
